### 2019 Alcohol Service Guidelines

The Village at Boulder Ridge does not have a liquor license however, multiple options are available for service of alcohol beverages at your wedding or event.

**Option One: Alcohol provided by the event host** (i.e. the bride & groom or person/company arranging the event)

This option is the most budget friendly and allows you the greatest amount of flexibility. With this option you would work directly with the package store to determine the types of alcoholic beverages you would like to serve. The Event Host must pay the liquor store directly for the alcohol purchased. We recommend Ledgebrook Spirit Shop in Winsted. When working with Ledgebrook, they will assist you in determining what you would like to serve and the quantity to order. You have the flexibility of serving any range of options without being locked into a “Shelf” style package. They will coordinate directly with The Village to deliver everything on your behalf. After the event, they will return to pick-up any unopened items and give you a credit back for those items (i.e. untapped kegs, unopened bottles of wine or alcohol, and unopened cases of beer). Any opened items are yours to keep. The Village will provide all sodas, juices and garnishes. Ledgebrook & The Village will communicate directly to ensure that all of the appropriate mixers & garnishes are either purchased from them or provided by The Village, based on the items you have chosen to serve. The average cost from Ledgebrook is \$7 - \$10 per person for beer & wine or \$9 - \$15 per person for beer, wine & liquor. Contact Chris or Neal at Ledgebrook Spirit Shop: (860) 379-4216 [www.ledgebrookspirit.com](http://www.ledgebrookspirit.com)

When purchasing your own alcohol, bartenders are required for safety and insurance reasons. The cost for bartenders are: \$125 each for 3 hours with a tip tray or \$200 each without a tip tray. The required Bartender Ratio is 1 Bartender for every 75 guests. The Village will arrange the requested number of bartenders from our approved list. Bartenders must be paid directly by the bridal party or event host.

You must also provide proof of a one day liquor liability insurance policy listing The Village at Boulder Ridge as additional insured. This can be secured through your homeowner’s insurance or directly from various sources including [www.protectmywedding.com](http://www.protectmywedding.com).

**Option Two: Full service licensed bartending service**

You may choose this option if you prefer to hire a full service bartending company to provide both the alcohol and bartenders. We recommend Two Pour Guys Bartending Service although you are welcome to use any licensed provider that you wish. Two Pour Guys offers open bar packages starting at \$25 per person for beer & wine or \$35 per person for beer, wine and liquor. For more information visit [www.twopourguys.com](http://www.twopourguys.com).

The event host or the bartending service must provide proof of a liquor liability insurance policy listing The Village at Boulder Ridge as additional insured.

**Option Three: BYOB**

BYOB is not an option for weddings or private parties. Company or Organization sponsored events may choose to allow their employees to BYOB. If you choose this option you are required to notify your employees in advance that absolutely NO GLASS BOTTLES are allowed. The Company/Organization must provide proof of general liability insurance policy listing The Village at Boulder Ridge as additional insured.
